Team Contract

Project Team Name: Cleckhuddesfax Online Mart

	Team Member Name	Email	Phone
1	Priya Kumari Singh	spriya23@tbc.edu.np	9807351052
2	Nikita Dhungana	dnikita23@tbc.edu.np	9804972586
3	Binay Ghimire	gbinay23@tbc.edu.np	9746391619
4	Sushana Sharma	ssushana23@tbc.edu.np	9840000200
5	Aasvi Awale	aaasvi24@tbc.edu.np	9847912345
6	Amit Chaudhary	camit24@tbc.edu.np	9819320255

A. Team Structure:

1. Leadership structure:

Our team decided to follow a shared leadership structure for this project. The leadership role will be divided between Priya Kumari Singh and Binay Ghimire.

Priya Kumari Singh: 1-6 weeks.

Binay Ghimire: 6-12 weeks.

2. Decision-making policy:

Our team will follow a majority voting system when making decisions related to the project. If a majority agreement cannot be reached, the Team Leader will make the final decision to ensure smooth project progress.

3. Who is the team Recorder/Documentation Manager/Maintainer of team activity?

Team Recorder

The Team Recorder for this project will be Amit Chaudhary. The main task will be documenting team activities, maintaining evidence of completed tasks and tracking attendance during team meetings.

Documentation Manager

Priya Kumari Singh and Aasvi Awale will be responsible for handling the overall project documentation, including meeting agendas, and keeping track of activities, feedback and any issues reported by the team.

Maintainer of the team activity

Sushana Sharma and Nikita Dhungana will oversee team activities, notify members about upcoming meetings and share the agenda prepared by Team Leader.

4. Day, time, and place for regular team meetings:

The team will hold 5 meetings per week, including two physical meetings and 3 virtual meetings.

CamScanner

Physical Meetings:

Monday – [11AM-1PM] – Incubation Centre

Friday - [9AM:11AM] – College's Café

Virtual Meetings:

Tuesday, Thursday, Sunday – [8PM-10PM] – Online

Since the online meetings will be conducted via Google Meet, and the meeting link will be shared with all the team members before each session.

Google Meet: https://meet.google.com/drt-jhbw-xmq

5. Usual method of communication:

Slack Link: https://app.slack.com/client/T0AK5BJ40QK/C0AK9MKEPP0

B. Team Procedures:

1. Method for setting and following meeting agendas:

The meeting agenda will be prepared by the Team Leader before each meeting. The agenda will be shared with all team members in advance through the team communication platform to ensure everyone is informed about the discussion topics.

Team members will be notified about meetings and agendas through Slack at least one day before the meeting.

During the meeting, the Maintainer of Team Activity will be responsible for ensuring that discussion follows the agenda and that all planned topics are covered.

2. Method of record:

The Team Recorder will be responsible for documenting team activities, maintaining evidence of completed tasks, and tracking attendance during meetings. All meeting summary will be properly organized and maintained. Additionally, team task files and related documents will be uploaded to a shared Google Drive folder and GitHub so that all members can access and review the progress whenever needed.

This link will take you to the Google Docs documents and GitHub :

https://github.com/Priyagithub45/Team_Project

3. Procedures in the absence of a team member:

In the absence of a team member, he/she must inform the Team Leader in advance through Slack. The team leader should approve his/her leave. The team expects regular attendance from all members. However, meeting can proceed if five members are present. After the

CamScanner

meeting, the discussion summary will be uploaded to the shared Google Drive folder, where the absent member can review the meeting summary.

C. Team Participation:

6. Strategies to ensure cooperation and equal distribution of tasks:

a. Supportive Team Environment: The team will promote open communication and active participation from all members during meetings.

b. Task Rotation: Responsibilities will be periodically reassigned among team members to provide equal learning opportunities and ensure balanced workload.

c. Clear Role Assignment: Each team member will have clearly defined roles to avoid confusion. Tasks will be assigned with specific deadline.

d. Mutual Support: Team members will assist one another when needed to ensure tasks are completed successfully and on time.

e. Time Management and Attendance: All team members are expected to attend meetings punctually except for the emergency situations with prior approval.

f. Collaborative Decision-Making: Important decisions will be made collectively to ensure that all members feel included and valued.

7. Strategies for encouraging/including ideas from all team members:

- Active Listening Environment: All team members will be encouraged to listen attentively and respectfully to others opinions during discussions. Members will provide constructive feedback in a supportive manner. This approach helps build trust, promotes mutual respect, and creates positive and collaborative team environment where every member's contribution is valued.
- Open Discussion: During meetings, team members are encouraged to openly share their ideas, suggestions, and concerns about the project. This encourages active participation from everyone and ensures that different viewpoints are considered. Such open discussions help improve collaboration, support creative thinking, and contribute to more effective problem solving within the team.
- Equal Participation: Every team member will be given an equal chance to participate in team activities, share input during discussions, and take part in decision making processes. This helps maintain fairness within the team and ensures that no single member dominates the discussions or workload.

8. Strategies for keeping on task:

a. Progress Tracking: The team will regularly review completed and pending tasks during meetings to ensure steady progress.

b. Consistent Communication: Regular meetings and discussions will be organized to ensure all members are updated about project activities and responsibilities.

CamScanner

c. Deadline Reminders: Reminders will be sent through Slack to help members complete tasks before deadlines.

d. Organized Work Timeline: A detailed schedule with specific deadlines will be developed to help team members manage their tasks efficiently and complete them on time.

D. Personal Accountability:

1. Expected individual attendance, punctuality, and participation at all team meetings:

The team members are expected to attend meetings as scheduled, except in unavoidable situations. In such cases, a minimum of 90% attendance must be maintained. Members should actively engage in discussions and share their perspectives to help the team achieve its objectives. Every individual's contribution is important for the success of the project. Any member who misses three meetings without prior permission or valid explanation will be reported to Mr. Rohit Raj Pandey for appropriate action. This guideline promotes accountability and teamwork.

2. Expected level of responsibility for fulfilling team assignments, timelines, and deadlines:

All the team members are expected to take full responsibility for their assigned duties and complete them on time. Delivering quality work is equally important as meeting deadlines. Since each member contributes to the project's progress, it is necessary to follow agreed timelines and demonstrate commitment. Every individual must remain accountable for their tasks and actively contribute toward achieving the team's goal.

3. Expected level of communication with other team members:

Team members are expected to communicate consistently, clearly, and respectfully throughout the project. They should share updates on their progress, any difficulties, and important information using Slack. Member should respond to messages in a timely manner and actively participate in discussions to ensure smooth collaboration. Transparent communication is essential for teamwork, coordination, and successful project completion.

4. Expected level of commitment to team decisions and tasks.

Every team member is vital to the project's achievement and is expected to remain dedicated to the group's decisions and responsibilities. Successful completion of the project depends on cooperation, unity and commitment to shared objectives. When all members actively contribute and stay focused, the project is more likely to be completed within the project timeline.

E. Consequences of breach of contract:

What procedures and penalties do you wish to implement in the case of team members who deviate from your Team Contract? You will be asked to complete Peer Assessment to formally communicate effort expended by individuals, but what will you do as issues emerge?

If a team member violates our team contract, strict procedures and consequences will be taken to maintain discipline and project standards. The issue will first be discussed within the team, and a formal warning may be issued. The member will be given an opportunity to improve their performance.

In addition to formal warnings, the team will decide that the member responsible for the violation will provide a small treat (such as drinks) for the group. This serves as a light and positive reminder of accountability.

If the problem continues after giving three warnings, the team reserves the right to escalate him/her from the group.

F. Certification by team members:

In appending your signatures below, you are stating that:

a) You participated in formulating the standards, roles, and procedures of this contract;

b) You have agreed to abide by these terms and conditions of this contract;

c) You understand that you will be subject to the consequences specified above and may be subject to reduction in overall grade in the event that you do not fulfill the terms of this contract.
